Safe & Well – July 2018

To: All Branches

Dear Colleagues,

Please see attached the July edition of Safe and Well newsletter with contributions from our USRs and field teams. This edition has a message on a recent tragic fall from height and also articles on:

- Vehicles: When weather isn't a factor in damage
- Drivers: Getting priorities right
- Risk assessment: Which one's right?
- Vehicles: Trailer brakes
- Incident: Drill trip
- AMS Box: MS 826 Multi-surface flat roof access
- Focus on: Frames environment
- TSO Near Miss: cable tie cut offs
- Equipment: Working with knives
- Action: Updates on fire stopping processes
- Info: Updates on the pre climb check
- Wildlife: More horrors of summer/outdoor working
- Equipment: Water safety

Yours sincerely

Dave Joyce
National Health, Safety & Environment Officer
