

JOINT STATEMENT BETWEEN ROYAL MAIL LOGISTICS AND THE CWU REGARDING DEPLOYMENT OF THE NATIONAL NETWORK REVIEW

This Joint Statement confirms the agreed way forward in relation to the deployment of the National Network Review.

Both parties recognise that it is essential to move forward with the deployment of the Network Review in order to set the foundations for the launch of the new LAT product.

This Joint Statement confirms that the target deployment date for the National Network Review will be the 18th June 2018.

Both parties recognise that there will be some final areas of adjustment to be concluded and that local and national discussions will continue, in order to finalise duty sets and complete re-picks ahead of the deployment date.

Any issues which could place the agreed deployment date at risk must be referred to the National parties at the earliest possible opportunity to ensure these are addressed in a timely manner.
