RM/CWU Dog Awareness Week 25th – 30th June 2018 - Request For Case Study Volunteers:

To: All Branches

Dear Colleagues,

The attached slide has been appearing on the RMTV plasma screens in Royal Mail Offices over the last month and Jointly RM and CWU are continuing to seek support from dog attack victim members to participate in Dog Awareness Week 2018 as case study volunteers.

If any ASR's have any dog attack victim members who would be willing to volunteer as a case study for local press and media enquiries and interviews during Dog Awareness Week, to support our joint campaign, please could they either fill in the attached word form and return it to Nick Burns (details below) or simply advise their local SHE Advisor of the details so they can do the same.

Return case study volunteers names to **Nick Burns** RMG SHE Engagement Manager Tel: 07801091380 Email: nicholas.burns@royalmail.com

Many Thanks.

Yours sincerely

Dave Joyce
National Health, Safety & Environment Officer
