## September investment performance update

Given the meaningful falls seen across most asset classes so far in September, the Company has asked the manager to provide the market with an update on the performance of the Global Value Fund investment portfolio.

The manager estimates that from the end of August through to 21 September 2020, the Global Value Fund investment portfolio had increased in value by 1.5%<sup>1</sup>.

In comparison, over this same period, global share markets<sup>2</sup> fell by 2.6% in Australian dollar terms, while the local Australian share market had fallen by 3.6%.

GVF expects to release its initial estimate of September's investment returns on Monday 5 October 2020.

The Company reminds all shareholders that GVF shares will trade ex-entitlement to the FY2020 fully franked final dividend of 2.9 cents per share on Wednesday 30 September 2020.
