

Dear cherished member,

Welcome to your new annual *Prayer Diary*, which will allow all members around the world to join in faith and fellowship throughout 2021.

This new diary replaces the *Families Worldwide* publication you used to receive. In addition to having 12 months of daily prayers you will also find four reflections across the seasons.

We are pleased to announce that from spring 2021, all members across Britain and Ireland will receive our new membership magazine twice a year, direct to your home. This will include updates on projects both here and around the world, as well as being full of exciting and relevant content to help us grow God's kingdom together.

We hope you enjoy your new *Prayer Diary*, which as a one off comes with a removable wraparound cover containing highlights of all we have achieved together during the last 12 months. We have also included a Christmas card from us to you to celebrate this special and sacred time of the year.

With every blessing,

Kay Warrington

P.S. This year's Christmas appeal is being match funded by the Big Give. This is a great opportunity to double the impact of your gift to members' work, however we appreciate this is a difficult time, please only give if you are able to.
